

LEADERSHIP IN CHANGE

"Empowering Local Leadership for Indiana Soil and Water Conservation"

There is an increasing need to prepare supervisors for the leadership challenges they face today and in the future. Equipping supervisors with leadership skills enables them to successfully operate in a rapidly changing environment. Participants in the Leadership Institute's first Cornerstone, Leadership in Change will gain valuable insight to address this need in the following areas.

- What is Leadership as it Relates to SWCDs and Change
- Dealing with Change in Your SWCD
- Understanding Yourself & Others through the Myers Briggs Personality Type Indicator
- Matching your Skills & Abilities with Your Position and Responsibilities
- How You Can Best Serve Your Organization

August 1-2, 2008

at Holiday Inn Lakeview, Clarksville

Friday's evening activity includes a dinner cruise along the scenic Ohio River on the Star of Louisville yacht. The evening will include a dinner buffet with carving station serving Prime Rib, chicken and fish entree, live DJ entertainment and dancing, and the opportunity to visit with other SWCD Supervisors.
